**We all need prayer.** The most amazing thing I have discovered is that when you pray the first person that is changed in prayer is the person who is praying. Our nation and communities need prayer. Our leaders need prayer. The church needs prayer. The people need prayer. That has me on an assignment from the Lord to encourage the people of Tarrant County to pray. One of those ways is by coming together as a community to pray on the *National Day of Prayer* along with others across the nation each year on the *First Thursday in May*. This is a privilege, and we must not take it for granted.

**National Day of Prayer-  
Tarrant County**

We will be collecting boxed and canned food the day of National Day of Prayer for local food pantries. We will have a table for the children to color. Last year the National Day of Prayer-Tarrant County hosted meals along with business owners in Tarrant County for our Fort Worth Police Officers in one of the sectors. This was appreciated greatly, and we have plans to host these meals at the other sectors in this year. If you would like to sow a seed into this year's event costs to bring the community together or our outreach cost to you can do this by going to Facebook and donating on National Day of Prayer-Tarrant County or by going to Zell and donating to **817-733-5340** your seeds assure that we will be able to continue strengthening our community.

If you would like to utilize the tools that the National Day of Prayer of Prayer committee has prepared you can access them at [www.NationalDayofPrayer.org](http://www.NationalDayofPrayer.org). There are tools to teach on prayer, videos, bulletin covers and other professional materials to help you to get the word out.

Thank you for all you do to serve this community. May God hear our prayers and do great things in the coming days because we humbled ourselves and prayed. Let us know if we can be of further assistance to you. We desire 2 Corinthians 7:14 to manifest in our midst.

**Praying always,**

**Vicki Phillips**
